

**Dear ENGAGE Selection Committee,**

My name is doctor Kozeta Filipi, and I am writing to formally express my interest in becoming a member of the ENGAGE Expert Group (EEG). I am strongly motivated to join this group because I fully share ENGAGE's mission to strengthen patient advocacy, promote informed decision-making, and support the implementation of high-quality cancer prevention and screening programs across Europe. This aligns deeply with my professional values and my long-standing dedication to public health.

As a member of **Europa Donna Albania**, I have been actively involved in **raising awareness about breast cancer, supporting patient education, and contributing to national advocacy initiatives**. This experience has provided me with unique insights into the needs of patients, the importance of structured screening programs, and the value of collaboration between national and European advocacy networks.

I bring extensive experience in **cancer screening programmes, data management, quality assurance, and patient communication**, particularly in **HPV screening and cervical cancer control**. My work includes coordinating reporting structures, supporting health professionals, and collaborating with both national and international partners to improve cancer prevention efforts.

As an EEG member, I am confident that I can contribute meaningfully by:

- Sharing practical experience from national screening and patient advocacy programs,
- Supporting the development and review of patient-centered educational materials,
- Contributing expertise on HPV and breast cancer screening practices,
- Strengthening communication between health institutions, patient groups, and advocacy networks, and
- Offering technical and organisational support for ENGAGE initiatives and events.

I am committed to working collaboratively, exchanging knowledge, and supporting ENGAGE's vision to empower patient communities and strengthen cancer advocacy throughout Europe. It would be an honour to bring my experience from **Europa Donna Albania** to the EEG and contribute actively to ENGAGE's initiatives.

Thank you very much for considering my application.

Warm regards,  
**Kozeta Filipi**
